HOW TO SUPPORT USE OF THE 
PSE READI TOOL

Incorporate these skills to support colleagues and team members using the PSE READI tool.

1. Establish rapport with team members by building a relationship.
   Tips to consider:
   - Discover what motivates your team
   - Provide positive reinforcement
   - Be a PSE READI champion by showing enthusiasm, commitment, and confidence in the tool

2. Act as a role model by demonstrating the PSE READI tool.
   Tips to consider:
   - Schedule mini trainings and view BCOP webinars as a team
   - Provide opportunities to practice and see successful application of new skills

3. Engage with team members through direct communication.
   Tips to consider:
   - Set clear expectations
   - Define purpose and benefit of use
   - Actively listen for understanding
   - Regularly share resources using PSEREADI.org sharing functions

Remember to consider the SMART model when developing your team's action plan:

- **Specific** - Identify what to do and by whom
- **Measurable** - Set benchmarks to track success
- **Achievable** - Identify resources and potential barriers
- ** Relevant** - Ensure plan is aligned with recommendations
- **Time Bound** - Set deadline to complete each step
